

LED STRIP 50M 120LED 24V

Part nr: 110017

Product information

We have made it easy for you - here is a 50 meters long LED strip on a roll.

An excellent product when mounting LED strips in different and longer lengths. This strip gives less cut as it can be cut every 5 cm, and it comes in a practical package with an opening to pull out the LED strip.
